

FORCED CTA

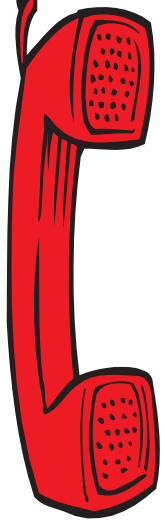

**FAA PROPOSAL:
No More Voluntary
Compensated
Telephone Availability**

Under the FAA's contract proposal, CTA will be greatly expanded to cover up for the agency's staffing shortfalls. What does this mean to you? It means staying close to home at all times and leaving important family events at a moment's notice.

Forced CTA means an unlimited interruption into your personal life at any time during off-duty hours.

**WHEN YOUR BALLOT COMES,
VOTE NO TO THE FAA'S ATTEMPT
TO CONTROL YOUR LIFE!**

Stay up-to-date on how the agency wants to control not only how you do your job but how you live your life.
