

DON'T LET THE FAA PICK YOUR POCKETS

CONTACT CONGRESS TO PROTECT YOUR WALLET

The FAA may send
contract impasses
in PASS's Flight

Standards, AVN, MIDO and AFS-700 bargaining units to Congress at any time. **Under the FAA's Core Pay Plan, there are NO guaranteed annual salary increases.** Unless action is taken immediately, the FAA will continue operating under the belief that it can impose contracts on the workforce, including dictating your pay increases, without employee input. Contact your members of Congress today and encourage them to cosponsor the contract negotiations impasse legislation, **S. 2201** or **H.R. 4755**. Do it today to protect your pay for the future.
